

Action Points to Include in Country Plan

What are our most critical priorities across thematic areas? How do they link to existing plans?

1. Development of national community health workers strategy, policy and guidelines
2. Expand the iCCM programme to the remaining 10 sub zones
3. Introduce HMIS at community level.
4. Introduce Health facility based CHWs supervision
5. Strengthen the existing CHWs peer supported model
6. Ensure iCCM program sustainability through motivation of CHWs (community mobilization)
7. Introduce CHWS to New born umbilical cord care through behavioral change (advocate use of CHX)

What is achievable in the next 6 months?

- Expand the iCCM program me to the remaining 10 sub zones
- Refresher and basic training for CHWs
- Strengthen the existing CHWs peer support model

In the next year?

- Development of national community health workers strategy, policy and guidelines
- Introduce HMIS at community level.
- Introduce Health facility based CHWs supervision
- Motivate CHWs through financial support
- Introduce CHWS to New born umbilical cord care.

What additional resources will we need for each priority area?

- Fund for supply ,training, transportation, supervision
- Human resources (consultant/outside TA, re policy & Guideline development)
