

Action Points to Include in Country Plan

What are our most critical priorities across thematic areas? How do they link to existing plans?

1. Finalize the community health policy
2. Engage in discussions with CAM and PNLN for distribution and supplying of inputs at the community level via ILPs.
3. Advocate for the use of RDTs by community relays
4. introduce the use of oral amoxicillin in the policy of support for neonatal infections

What is achievable in the next six months?

1. Finalize the community health policy
2. Engage in discussions with CAM and PNLN for distribution and supplying of inputs at the community level via ILPs.

What is achievable in the next year?

1. Advocate for the use of RDTs by community relays
2. Introduce the use of oral amoxicillin in the policy of support for neonatal infections

What additional resources will we need for each priority area?

- Human resources, leadership, financial resources, logistics

Action Points to Include in Country Plan

What are our next steps as a country to implement these next steps?

- Report back to the Ministry of Health
- Reunite partners and establish action plans

Summary statement on approach and next steps:

We, the delegation from Benin, are committed to doing our best to follow the implementation of the priority actions identified in the course of this symposium.
