

Action Points to Include in Country Plan

What is achievable in the next six months?

Costing and Financing:

- Make the contracts signed by the mayors available to partners so that they can consider taking into account CHW salaries as part of the PDSEC - UNICEF .
- Round Table between AMM and FENASCO on the mobilization of resources
- Advocacy by partners to the presidency to find solutions to financing

Newborn:

- Support for newborn health: A Malian study for the use of oral or injectible treatments for pneumonia
- Disseminate the results of the use of the chlorexidrine among newborns – PSI

HR and Deployment:

- Improve monitoring proximity (all partners)

M&E:

- Simplify the tools (DESR).
- Establish a national SEC database.

What is achievable in the next year?

Coordination and policy:

- Reinvigorate the adhoc group (connected to cost-effectiveness)
- Resume advocacy with the National Assembly - Save The Children.- UNICEF . .
- Hearing with the MoH to see the evolution of the situation and the urgent decisions to be taken - UNICEF % USAID. . .
- Develop the strategic implementation plan of scale-up before June - DNS . .
- Advocacy with ASACOs in regions where the LQAS has shown financial barriers in view of a reduction of costs

Innovations:

- Establishment a task force with the lead of the MoH to harmonize and pass the scale-up – DNS (DESR)

Private sector:

- Include private sector in the SEC (information, task force, formation,..) - DESR. . . .

Action Points to Include in Country Plan

What additional resources will we need for each priority area?

What are our next steps as a country to implement these next steps?

- Report back on symposium to MoH - Dr BOGOBA;
- Discuss the actions to be taken at the next meeting of the Ad hoc group - DESR;
