

**Action Points to Include in Country Plan****What are our most critical priorities across thematic areas? How do they link to existing plans?**

- Elaboration of the policy document, strategic plan and plan for the expansion of the ISDC
- Mobilization of resources for the scaling of the ISDC
- Advocate for considering the ISDC in the PDC with decentralized territorial communities

**What is achievable in the next 6 months?**

- Organize a meeting of all actors and partners involved in iCCM to restart activities held during the Accra Symposium and the mapping of the stakeholders in the ISDC
- Preparation of concept notes for financing iCCM
- Selection and Training of ASCs and supervisors

**In the next year?**

- implementation
- Supervision
- Data integration for implementation of ICCM in the SNIS
- Extension of iCCM
- Monitoring and evaluation

**What additional resources will we need for each priority area?**

- Financial Resources
- Technical Assistance for the development of strategic documents

## Action Points to Include in Country Plan

### What are our next steps as a country to implement these next steps?

- Organize a meeting of all the actors and partners involved in iCCM for the follow-up to activities held during the symposium in Accra and the mapping of the stakeholders in the ISDC
- Report back to the MINSANTE

### Summary statement on approach and next steps:

**In the context of the acceleration of the reduction in the mortality of children under 5 years, Cameroon is committed to implementing health interventions under Community Directives (ISDC) with iCCM as its main component.**
