APPENDIX 3: SUMMARY OF ACTIVITIES ON SOCIAL MEDIA NETWORKS

iCCM Symposium Twitter Summary 7 March 2014

Background: During the iCCM Symposium held 3-5 March 2014 in Accra, Ghana, participants, organizing agencies and others interested in iCCM were asked to Tweet their thoughts and experiences about the Symposium using the common hashtag #iCCM2014. This document provides a summary of the Tweets using the hashtag #iCCM2014 from 24 February 2014 to 7 March 2014. The online service 'Tweet Archivist' was used to generate the data.

Total tweets: 1,388

From 24 February to 7 March 2014, there were 1,388 Tweets or 'Re-tweets' that included the hashtag #iCCM2014).

Total reach: 1,518,930

Reach is the sum of all Twitter users who used the hashtag #iCCM2014 plus the sum of their followers.

Total impressions: 4,275,103

Impressions are the number of times the 1,388 tweets appeared in someone's Twitter feed during the report period (does not necessarily mean that the Tweets were read by the users).
