

Action Points to Include in Country Plan

What are our most critical priorities across thematic areas? How do they link to existing plans?

- Supportive supervision and quality assurance
- Supply chain
- Coordination (partners, diseases and programs)

What is achievable in the next 6 months?

- Supply chain assessment- IMNCI, CMS, RHT and CHN
- Catchment area peer group support to VHWs and follow up on community sensitizations of VDC
- Engage in PHC working party meetings
- Training and job aid assessment

In the next year?

- Referral from community to health facility
- Identify relevant partnerships to facilitate coordination i.e MRC

What additional resources will we need for each priority area?

Gambia
Country

Shannon Downey
Facilitator name

iCCM 2014

Action Points to Include in Country Plan

What are our next steps as a country to implement these next steps?

- Convening partners and building out action plans PHC working party group
- Reporting back to Ministry of Health/Ministry of Finance?

Summary statement on approach and next steps:
